Um-ah-A' ThrA' E-na A Ec-ka-sha
(repeat this line 6 more times)

Take another step, find it in your heart,
Know yourself within, don't feel so apart,
WE'RE ONE
Hear the Sacred Call, envision in your mind,
You're here to stand up tall, the truth is what you'll find,
IT'S LOVE

Just know that you're held gently, by the One True Source divine,
You're Love and Light and Truth, until the end of all time,
UNTIL THE END OF ALL TIME
We stand together strong with peace and love and light,
We're free from bonds that tie, we live in pure delight,
OF LOVE

Earth is but a place that's held us in her heart,
It's time to give her thanks and pray when we depart,
FOR LOVE
We're strong and resolute, In our calling to be free,
With joy and smiles and laughter, Let's be all we're meant to be,
DIVINE BEINGS ETERNALLY

I Will Slide I Will Glide
Words & Music by Kaiwalani Nash

I will slide, I will glide, we will be forever

Seems like I'm here for a moment
But time goes on forever
Knowing there is never, never an end for us
The world has an urgent engagement
It spins but for a moment
What do we know and how did we get here

I will slide, I will glide
There is light on the other side
I will slide, I will glide
Put your tears away my Dear know it deep inside
We will be forever

Seems like we're one in a million
We have a light between us
A beacon burning hotter, hotter than the sun
We recognize our calling
Together we will get there
One by one, hand in hand, we will reach our promise land

I will slide, I will glide
There is light on the other side
I will slide, I will glide
Put your tears away my Dear know it deep inside
We will be forever

Clearing the way with LIGHT & SOUND

Ma ha ra' ta Mu A' va
Kee' Ra ShA Ha Sha
Khu Shar DA'za
Dha' Dru A'jha
Rha Ec' ka
(repeat)

I will slide, I will glide
There is light on the other side
I will slide, I will glide
Put your tears away my Dear know it deep inside
We will be forever
